Sheraton Grand Seattle  
SEATTLE, WA

FETAL & WOMEN’S IMAGING 2020
Advanced OB-GYN Ultrasound

18.25 AMA PRA Category 1 Credits™
18 Cognate Credits

PROGRAM DIRECTORS:
Roya Sohaey, MD
Mary E. Norton, MD

FACULTY:
Paula J. Woodward, MD
Joanne Stone, MD
Brian L. Shaffer, MD
Martin Walker, MD
Leah Lamale-Smith, MD
Tracy Anton, BS, RDMS, RDCS, FAIUM

Now Also Available Virtually – Click Here to Learn More!
COURSE OBJECTIVES

Upon completion of this conference, the participant will be able to:

- Develop strategies for image optimization in order to incorporate current practice guidelines for fetal cardiac evaluation with emphasis on improved detection of congenital heart disease
- Improve skills in assessment of early pregnancy viability and diagnosis of early pregnancy abnormal implantation including ectopic pregnancy, interstitial pregnancy and cesarean scar implantation
- Improve differential diagnosis accuracy for fetal anomalies involving the fetal chest, abdomen, genitourinary system and extremities
- Develop an anatomic strategy for the diagnosis of brain anomalies
- Incorporate state-of-the-art practices in prenatal genetic screening and testing
- Develop an approach to genetic testing for subset of anomalies associated with genetic defects
- Improve ultrasound skills for gynecological evaluation of adnexal masses and uterine disorders
- Emphasize key practice guidelines for the evaluation of fetal wellbeing stressing the proper techniques for biophysical profile and amniotic fluid assessment
- Develop strategies for accurate cervical assessment in high risk pregnancies
- Distinguish between different types of twinning and develop strategies for early identification of twins needing intervention
- Identify fetuses that would benefit from in utero treatment and procedures
- Distinguish critical placental complications with emphasis on diagnosis of placenta accreta spectrum

INFORMATION

Course Materials and CME Certificate
You will receive a digital syllabus containing lecture abstracts and slides accompanied by a notebook with lecture objectives and notes pages. A few days prior to the course date, you will receive an email with a link to the lecture slides, should you wish to download and/or print these in advance of the course. Your course evaluation and CME certificate will be sent to the email you provided when registering.

Exhibits
Diagnostic ultrasound equipment and medical book vendors scheduled to be on site.

Discover the Excitement of Seattle
One of the most visited cities, Seattle has something for everyone – and the centrally located Sheraton Grand Seattle is in the heart of it all. Tour the Chihuly Studio and the Gates Foundation, enjoy the Space Needle, prime shopping, music and the arts, all within walking distance. The city is bristling with outdoor entertainment, local breweries, great restaurants and coffee shops.

Extend your stay and visit the local wineries, the Olympic Peninsula, Victoria Island including Butchart Gardens, Mt. Rainier and more.

Hotel Accommodations
A limited number of rooms have been set aside at the Sheraton Grand Hotel starting at $229 per night. Reservations can be made by calling Sheraton Grand Seattle at 1-888-627-7056 and identifying yourself as an attendee of the World Class CME Fetal & Women’s Imaging 2020 conference. The reservation deadline is 5 pm PST September 3, 2020. We recommend making your reservation in advance as the hotel may sell out prior to the reservation deadline. Early September is peak season in Seattle.

Accreditation
- World Class CME is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. World Class CME designates this live activity for a maximum of 18.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

- The American College of Obstetricians and Gynecologists has assigned up to 18 cognate credits to this program.

- Nurse Practitioners and RNs – The American Nurses Credentialing Center and the American Academy of Nurse Practitioners Certification Program accept continuing education credits sponsored by organizations, agencies, or educational institutions accredited or approved by the Accreditation Council for Continuing Medical Education (ACCME).

- Physician Assistants (PA) – AAPA accepts AMA PRA Category 1 Credit™ for organizations accredited by the ACCME.

- Sonographers – Category A CE credit is pending approval by the American Society of Radiologic Technologists. The American Registry of Diagnostic Medical Sonographers (ARDMS) accepts all American Society of Radiologic Technologists (ASRT) Category A credits as fulfilling their requirements for continuing education (CE) credits.

This product (service) is not affiliated with or endorsed by Interleos.™ ARDMS® and APCA™ are part of the Interleos™ family of certification councils.

Disclosure – World Class CME relies on its CME faculty to provide program content that is evidence based and free of commercial bias. Therefore, in accordance with ACCME standards, any faculty, program director, reviewer, and/or provider industry relationships will be disclosed and resolved. Speakers are required to openly disclose any limitations of data and/or any discussion of any off-label, experimental or investigational uses of drugs or devices in their presentations.
