VIRTUAL THE BEST OF THE BIG APPLE – 2020 OB-GYN ULTRASOUND

Image-based Gynecology and Obstetrics

WHAT’S IMPORTANT FOR 2020-2021

NOVEMBER 20-21, 2020

PROGRAM DIRECTORS:
Joshua A. Copel, MD
Steven R. Goldstein, MD
Ilan E. Timor-Tritsch, MD

GUEST FACULTY:
Alfred Z. Abuhamad, MD
Beryl R. Benacerraf, MD
Katherine S. Kohari, MD
Russell S. Miller, MD
Ana Monteagudo, MD
Joanne Stone, MD
Eric Surrey, MD

10 AMA PRA Category 1 Credits™
10 Cognate Credits
11.25 Category A CE Credits for Sonographers and Technologists

Refunds

A fee of $75 is charged for cancellations received by November 10, 2020. Refunds will not be issued after that date.

Virtual Recorded CME – Watch at Your Leisure

Can’t attend the Live Stream course? Register for our Virtual Recorded format and watch it on your own schedule. You will have access to view the lectures for 12 months.

INFORMATION

Course Materials and CME Certificate

You will receive a digital syllabus containing lecture abstracts and slides, accompanied by a digital notebook with lecture objectives and notes pages. Your course evaluation and CME certificate will be sent to the email you provided when registering.

Further Instructions

Please look for an email a few days before the course dates with a link to download the lecture slides (to your tablet or computer), or print a syllabus if you wish to have one on hand during the course. You will receive instructions on how to register with gotowebinar to attend the live stream course about one week before the live stream.

Exhibit

Please visit the virtual exhibit during the breaks.

For updates, go to WorldClassCME.com. If you have any questions or concerns, please call us at (888)-207-9105 M-F, 8:30 am to 5 pm EST or email office@worldclasscme.com. Our dedicated customer service team is ready to assist you.

World Class CME wishes to thank Cooper Surgical for an educational grant contributed in support of this virtual course.

COURSE OBJECTIVES AND TARGET AUDIENCE

Upon completion of this conference, the participant will be able to:

- Form an appropriate differential of an adnexal mass based on the imaging appearance and clinical scenario using current guidelines
- Apply ultrasound in the evaluation of the endometrium and myometrium, abnormal uterine bleeding, pelvic pain and retained products of conception
- Diagnose and recommend management for both tubal and other ectopic pregnancies
- Understand the role of “dynamic ultrasound” to use “soft markers” to diagnose early endometriosis that may be more amenable to medical therapy rather than surgery
- Understand the practice implications of the upcoming guidelines of the first trimester anatomy scan for the high-risk patient
- Understand new concepts in medical management of heavy menstrual bleeding in women with fibroids
- Understand current approaches to direct visualization versus ultrasound in patients with abnormal uterine bleeding
- Enhance recognition of fetal brain diseases
- Improve management of pregnancies with fetal complications
- Explain the complexities of prenatal screening and diagnostic testing options, including new genomic tests
- Identify complications of monochorionic twins
- Understand the implications of placental abnormalities
- Familiarize the learner with common fetal cardiac lesions
- Understand new standards for hCG in early pregnancy and its failure
- Understand how to distinguish adenomyosis from fibroids on ultrasound

Target Audience

Physicians, nurse practitioners, physician assistants, nurse midwives, nurses, sonographers, and radiologic technologists who work in a clinical practice setting using maternal-fetal ultrasound for diagnosis and screening.

*Program Details May Change*
FACULTY

PROGRAM DIRECTORS

Joshua A. Copel, MD
Professor and Vice Chair of Obstetrics, Gynecology and Reproductive Sciences
Yale School of Medicine
New Haven, Connecticut

Steven R. Goldstein, MD
Professor of Obstetrics and Gynecology
New York University School of Medicine
Director of Gynecological Ultrasound
Co-Director of Bone Densitometry
Department of Obstetrics and Gynecology
New York University Medical Center
New York, New York

Ilan E. Timor-Tritsch, MD
Professor of Obstetrics and Gynecology
New York University School of Medicine
Director of OB-GYN Ultrasound
Department of Obstetrics and Gynecology
New York University Medical Center
New York, New York

GUEST FACULTY

Alfred Z. Abuhamad, MD
Professor of Obstetrics and Gynecology
Professor of Radiology
Chairman, Department of Obstetrics and Gynecology
Eastern Virginia Medical School
Norfolk, Virginia

Beryl R. Benacerraf, MD
Clinical Professor of Obstetrics, Gynecology and Radiology
Harvard Medical School
Boston, Massachusetts

Katherine S. Kohari, MD, FACOG
Assistant Professor of Obstetrics, Gynecology and Reproductive Sciences
Yale School of Medicine
New Haven, Connecticut

Russell S. Miller, MD
Associate Professor of Obstetrics and Gynecology
Medical Director, Carmen and John Thain Center for Prenatal Pediatrics
Division of Maternal Fetal Medicine
Department of Obstetrics and Gynecology
Columbia University Irving Medical Center
New York, New York

Ana Monteagudo, MD
Clinical Professor of Obstetrics and Gynecology
Icahn School of Medicine at Mount Sinai
New York, New York

Joanne Stone, MD
Professor, Obstetrics, Gynecology and Reproductive Sciences
Director, Maternal Fetal Medicine
Icahn School of Medicine at Mount Sinai
New York, New York

Eric Surrey, MD
Medical Director, Colorado Center for Reproductive Medicine
Long Tree, Colorado

Accreditation – World Class CME is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. World Class CME designates this live activity for a maximum of 10 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

The American College of Obstetricians and Gynecologists has assigned up to 10 cognate credits to this program.

The American Board of Radiology Maintenance of Certification – 10 AMA PRA Category 1 Credits™ – AMA credits can be used toward ABR MOC Part 2 requirements.

Physician Assistants (PA) – The American Academy of Physician Assistants accepts AMA PRA Category 1 Credit™ for organizations accredited by the ACCME. This course qualifies for Category 1 CME for PAs.

Nurse Practitioners and RNs – The American Nurses Credentialing Center and the American Academy of Nurse Practitioners Certification Program accept continuing education credits sponsored by organizations, agencies, or educational institutions accredited or approved by the Accreditation Council for Continuing Medical Education (ACCME).

11.25 Category A CE credits have been approved by the American Society of Radiologic Technologists. The American Registry of Diagnostic Medical Sonographers (ARDMS) accepts all American Society of Radiologic Technologists (ASRT) Category A credits as fulfilling their requirements for continuing education (CE) credits.

This product (service) is not affiliated with or endorsed by Interleos™. ARDMS® and APCA™ are part of the Interleos™ family of certification councils.

Disclosure – World Class CME relies on its CME faculty to provide program content that is evidence-based and free of commercial bias. Therefore, in accordance with ACCME standards, for any faculty, program director, reviewer, and/or provider industry relationships will be disclosed and resolved. Speakers are required to openly disclose any limitations of data and/or any discussion of any off-label, experimental, or investigational uses of drugs or devices in their presentations.

For disclaimers and other details about this course, visit WorldClassCME.com.
